

3-in-1 Flashlight Kit – The Complete Solution for Every Need

SKU: VNFSHLIGHTKIT3IN1

Three torches, infinite possibilities: the right light always with you.

A flashlight for every occasion

The **Vivanco 3-in-1 kit** is the ideal choice for those seeking versatility, power, and reliability in a single product. With three LED flashlights of different sizes and brightness, this set covers every need, from everyday use to the most extreme situations.

Compact mini flashlight

Perfect for home use or to keep in the car, this flashlight combines small size with a light output useful for quick checks, emergencies, or everyday tasks. Lightweight, easy to carry, and always ready for use.

Intermediate flashlight

The ideal compromise between compactness and power. Ideal for work, home maintenance, and regular use. Its ergonomic design and well-calibrated beam allow for prolonged use without fatigue.

High-power professional flashlight

Designed for **outdoor activities** and the most demanding environments, this flashlight offers high brightness and an adjustable beam. Constructed of impact-resistant aluminum, it guarantees **reliable performance** even in extreme conditions such as rain, night hikes, or prolonged power outages.

A complete, ready-to-use kit

Each flashlight is rechargeable via the USB-C cable provided in the package. The LED charge indicator lets you always keep an eye on your battery life.
