

VIVANCO

Wireless Gateway

SKU: VNGATEWAY

Connect and centralise the control of your compatible sensors

ONE GATEWAY TO CONNECT OVER 100 SENSORS

The **Hub Sense gateway** acts as the connection point between Vivanco devices compatible with the **Zigbee protocol** and the Vivanco Smart app. It allows you to connect **over 100 sensors and detectors** to a single unit, centralising the management of your smart home devices and making it easier to monitor detected events from your smartphone. When paired with compatible Vivanco sensors, the gateway enables access to their functions through the app.

REDUCE DIRECT CONNECTIONS TO YOUR WI-FI NETWORK

Sensors compatible with the Zigbee protocol communicate directly with **Hub Sense** instead of connecting individually to your home Wi-Fi network. The gateway collects data from connected compatible devices and transmits it to the **Vivanco Smart** app using its own Wi-Fi connection. This allows you to integrate multiple sensors without connecting each one separately to your home network. In the absence of obstacles or devices that may cause interference, such as routers, the gateway's operating range can exceed 30 metres.

COMPACT DESIGN AND CONTINUOUS WIRED POWER SUPPLY

With dimensions of just **66 x 66 x 20.4 mm** and a weight of 52 g, Hub Sense takes up very little space and can be easily positioned near your router or in another suitable location at home. The gateway requires a continuous wired power supply and operates reliably at temperatures ranging from 0 °C to +40 °C.

KEY FEATURES

- Gateway for Vivanco products compatible with the Zigbee protocol
- Supports connection of over 100 sensors and detectors
- Transmits data from connected sensors to the Vivanco Smart app
- Wi-Fi connection
- Continuous wired power supply
- Compact design: 66 x 66 x 20.4 mm
- Operating range exceeding 30 metres without obstacles

WHAT'S IN THE BOX

- 1 Hub Sense

- 1 charging cable
- 1 user manual

VIVANCO

Wireless Gateway
SKU: VNGATEWAY

Technical data

EAN: 8018417542893
SKU: VNGATEWAY
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking
Color: black
Weight: 0.0200 g
Connection: Wi-Fi, Zigbee communication protocol
Dimensions: 66 x 66 x 20,4 mm
Operative range: Over 30 metres unobstructed
Included accessories: Power cable
