

160 Lumen LED Headlamp – Hands-Free, Clear Vision

SKU: VNHEADLAMP160LM

Your personal light, always where you need it.

Direct and precise illumination

The **Vivanco 160-lumen headlamp** is designed for those who need **freedom of movement** without sacrificing a powerful, stable light. Perfect for **outdoor activities** such as hiking and camping, but also for **technical work** or **evening sports**, this torch ensures visibility and safety in any situation.

Comfort and practicality

The adjustable elastic headband comfortably fits any head size, keeping the torch securely in place even during rapid movements. The lightweight, well-balanced design reduces fatigue, making it perfect for extended use.

Functional design, dual light, and IP44 protection

In addition to the powerful 160-lumen front white LED beam, the flashlight is equipped with two red side lights, ideal for discreet night vision or as a warning light in emergency situations. The flashlight head is adjustable up to 90°, allowing you to direct the beam exactly where you need it. The compact, shock-resistant structure is IP44-certified, guaranteeing protection against splashes of water and dust.

Requires AAA batteries

The flashlight is powered by two AAA batteries, which are easily available and replaceable. A practical choice for those who want an immediate power source without having to wait for a recharge. Batteries are included, making the product ready for immediate use.

- Light output: 160 lumens
- High-intensity central white LED beam
- Two red side lights for signaling and discreet visibility
