

USB-C hub with USB-A 3.2 10Gbps, USB-C and USB-A 480Mbps ports

SKU: VNITHUBCM131A21A21C

Instantly multiply your device connections

INSTANT USB-C PORT EXPANSION FOR MORE DEVICES

The **USB-C 3-in-1 hub** turns a single USB-C port into **3 additional ports**, ideal for connecting **mice, keyboards, USB drives, hard disks and smartphones**. A practical solution for laptops, tablets and USB-C devices, perfect for improving productivity and organization both in the office and on the go.

FAST DATA TRANSFER UP TO 10GBPS

The **USB-A 3.2 Gen 2 port** enables high-speed data transfer up to **10Gbps**, ideal for large files such as videos, high-resolution images and professional documents. In addition, a **USB-A 2.0 port** and a **USB-C 2.0 port** ensure broad compatibility and smooth everyday connectivity, allowing data transfers up to **480Mbps** or connection of accessories like mouse and keyboard.

POCKET-SIZE DESIGN AND MAXIMUM PRACTICALITY

The **compact and lightweight design** makes this hub easy to carry anywhere: optimize your device connections while keeping your workspace neat. The **included protective cap** shields the USB-C connector from dust and wear, ensuring long-lasting durability.

Simply plug the hub into your USB-C device and start using it instantly. A smart solution for a more efficient and streamlined workspace.
