VIVANCO

Paper, credit card and CD shredder, up to 10 sheets with 4 x 35 mm cross cut and 15 L bin

SKU: VNSHREDL15CD

Maximum versatility for shredding documents, credit cards and CDs quickly and securely

SHREDS DOCUMENTS, CARDS AND CDS QUICKLY AND SECURELY

This **multifunction document shredder** is designed to effectively shred **paper documents, credit cards and CDs**. With a capacity of up to **10 A4 sheets (75 g)**, it is ideal for handling larger volumes of sensitive data in both **home and professional environments**, ensuring everyday security and convenience.

4 x 35 MM CROSS CUT FOR ADVANCED PROTECTION

The **4 x 35 mm cross-cut system** provides a higher level of security by turning documents into small particles that are difficult to reconstruct. This helps protect sensitive information while delivering professional results. The **auto start/stop** function makes this shredder simple to use: place a sheet or credit card near the slot, or insert a CD into the dedicated compartment, and the shredder will start automatically; then it will stop once the process is complete. In addition, the **reverse mode** helps quickly clear the device in case of jams or remove stuck sheets with ease.

SPACIOUS, QUIET AND PRACTICAL

The spacious **15-litre bin** allows it to collect a larger amount of shredded material, reducing the need for frequent emptying. Once full, simply lift the top section to empty the bin easily. This document shredder is also perfect for shared spaces: it is especially **quiet (72 dB)**, while the **overheating protection** ensures safe use and reliable performance even in shared offices, helping maintain a comfortable working environment.

WHAT MAKES IT STAND OUT

- Shreds paper, credit cards and CDs
