

VIVANCO

Smoke Detector with Built-in Siren

SKU: VN5MOKEALARMSMART

Instantly detects smoke and alerts you with visual and audible alarms and app notifications

SMOKE DETECTION WITH BUILT-IN AUDIBLE AND VISUAL ALARMS

The **Vivanco Fire Sense smoke detector** monitors indoor spaces and signals the presence of smoke through a **built-in audible and visual alarm**. The audible alarm reaches at least 85 dB at a distance of 3 metres, providing an immediate warning when smoke is detected. The device is suitable for different areas of the home and features a practical test button to check its operation, which can also be used to silence the alarm during a smoke alert.

INSTANT NOTIFICATIONS WITH THE VIVANCO SMART APP

To receive **real-time notifications through the Vivanco Smart app**, Fire Sense must be paired with a Vivanco Gateway, sold separately. The detector uses the **Zigbee communication protocol**, with the gateway acting as an intermediary between the Wi-Fi network and the app notifications. Even when the sensor is not connected to the gateway, smoke detection will still trigger the built-in audible alarm.

10-YEAR SENSOR LIFESPAN AND EN14604 CERTIFICATION

Fire Sense features a sensor with a **stated lifespan of 10 years** and runs on **2 AA batteries**. It therefore requires no continuous wired power supply and continues to operate even during a power outage. The detector complies with the **EN14604** standard and operates at temperatures ranging from 0 °C to +55 °C, with humidity levels of up to 95% without condensation. Its dimensions of 115 x 32.5 mm and weight of approximately 180 g allow for discreet ceiling installation, while the included mounting kit makes installation easier.

KEY FEATURES

- Audible alarm over 85 dB
- European EN14604 certification
- 10-year sensor lifespan
- Smart notifications via the Vivanco Hub Sense gateway
- Visual alarm indicator
- Zigbee protocol connection
- Dimensions: 115 x 32.5 mm
- Battery powered: 2 AA batteries

WHAT'S IN THE BOX

- 1 Fire Sense
- 1 screw kit
- 1 user manual

VIVANCO

Smoke Detector with Built-in Siren
SKU: VNSMOKEALARMSMART

Technical data

EAN: 8018417545535
SKU: VNSMOKEALARMSMART
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking
Color: white
Weight: 0.2000 g
Battery: 1.5 V - 2xAAA (not included)
Connection: Zigbee communication protocol
Dimensions: 115 x 32,5 mm
Certifications: Standard EN14604
Included accessories: screws
