

VIVANCO

## Water Leak Detector

SKU: VNWATERALARMSMART

### Instantly detects water leaks at home, even when you're away

#### WATER LEAK DETECTION IN HIGH-RISK AREAS

This **water leak detector** instantly detects water leaks through its built-in sensor, helping you take action quickly in the event of a leak. When water is detected, the sensor lights up to signal the leak. Its compact dimensions of **50 mm in diameter and 18 mm in height** make it easy to position under washing machines, dishwashers, sinks or in other areas of the home where leaks may occur.

#### SMART NOTIFICATIONS VIA GATEWAY AND VIVANCO SMART APP

Drop Sense uses the **Zigbee communication protocol** and requires the Vivanco Gateway, sold separately, to communicate with the Vivanco Smart app. The gateway centralises communication between compatible sensors, eliminating the need to connect each device individually to the Wi-Fi network. Once the sensor is paired with the Wi-Fi-connected gateway, the app can send a real-time notification to your smartphone whenever water is detected, allowing you to identify leaks promptly, even when you're away from home.

#### IP66 PROTECTION AND VIVANCO SIREN INTEGRATION

The detector runs on a **CR2032 battery** and offers a stated battery life of over one year (based on up to 20 detections per day). You can choose to receive notifications through the app when the battery level is low, so you know in advance when it needs replacing. The sensor does not have a built-in audible alarm, but it can be paired with a compatible Vivanco siren. By connecting both products to the Vivanco Smart app, you can programme the siren to activate whenever Drop Sense detects a water leak.

#### KEY FEATURES

- Water leak detection
- IP66-certified water protection
- Zigbee protocol connection
- Notifications via the Vivanco Smart app
- Compatible with the Vivanco Hub Sense gateway
- CR2032 battery powered
- Dimensions: 50 x 18 mm
- Can be paired with the Vivanco Echo Sense siren

#### **WHAT'S IN THE BOX**

- 1 Drop Sense
- 1 QC Pass certificate
- 1 user manual

**VIVANCO**

Water Leak Detector  
SKU: VNWATERALARMSMART

## Technical data

EAN: 8018417546150  
SKU: VNWATERALARMSMART  
GPSR: The product must not be used by children or by people unable to understand the potential risks., Item subject to WEEE Directive 2012/19/EU, Item subject to CE marking, Packaging of the item subject to the "Green Dot" recycling system, The item packaging is recyclable, Item subject to UKCA marking  
Color: white  
Weight: 0.2000 g  
Battery: CR2032  
Connection: Zigbee communication protocol  
Dimensions: 50 x 18 mm  
Finishing/Feature: IP66
