VIVANCO

Toslink to RCA/3.5mm Jack converter

SKU: VVATOSLRCACONVERTK

Audio signal converter with power supply, USB charging cable – DC 5V included

This **metal-cased converter** is the perfect product for those who have a TV with Toslink inputs but don't want to give up headphones or other audio devices that support jack or RCA cables.

The adapter is easy to use: just connect the **Toslink cable** to the dedicated input on the device from which you want to listen to the audio. Connect the other end of the cable to the converter and insert the 3.5 mm jack or RCA connectors into the appropriate inputs, depending on your needs.

The converter can be powered using the **USB – DC 5V cable** included in the package. Simply connect the USB connector to a travel charger or your TV and the DC 5V connector to the dedicated input on the adapter.

Features:

- Metal enclosure
- Excellent sound reproduction
- 1-meter Toslink cable with transparent caps
- USB charging cable – DC 5V included
