

Remote control for Panasonic TVs and Smart TVs

SKU: VVREMOTEPANA

The universal remote control designed specifically for your Panasonic television

Apps and streaming services at your fingertips

The **Panasonic TV remote control*** is equipped with all the essential functions: channel switching, volume control, teletext, and much more. It's also perfect for **Smart TVs**, thanks to the **dedicated shortcuts for apps and streaming services** directly on the remote.

Ready to use immediately, without installation

Insert the 2 AAA batteries (not included) and start using the remote control immediately, without any setup.

Reliable, durable, and practical

Made of **quality ABS**, it offers long-lasting durability. The **8-meter operating range** allows for convenient use even from a distance.

*Check the box for model compatibility.
