

Coaxial satellite cable Type F male to female

SKU: VVSAT50COAXFMW

Cable with Type F male and female connectors, anti-kink protection and double internal shielding, length 5 m

Stable and versatile satellite connection

The 5-meter **satellite coaxial cable** is ideal for connecting an antenna or VCR to a TV or decoder simply and reliably. It features **Type F male-to-female connectors** to adapt to various system configurations.

Clear and interference-free signal

The **double internal shielding** ensures **clear audio/video transmission**, minimizing signal dispersion even over long distances.

Flexibility and ease of use

The **kink protection** and **soft-touch handle** make this cable easy to install even in tight spaces, while ensuring durability and practicality.

Features:

- 2 Type F connectors, male to female
- Double shielding
- Anti-kink protection
- Soft-touch grip
- Length: 5 meters
