

Indoor Full HD antenna with ring design, LTE filter, 1.2 m cable

SKU: VVTVANTLCIRCLE

Enhanced TV and radio reception, stable signal without LTE interference

High-performance indoor antenna for receiving digital and analog terrestrial television signals (DVB-T, DVB-T2) and radio (DAB, DAB+, FM). Equipped with an adjustable amplifier and LTE filter for a stable, interference-free signal. Powered via the included power supply or DVB-T receiver.

Perfect for campers and interiors

The **indoor TV antenna** is the ideal solution for watching your favorite programs even without a satellite dish. It is perfect for use in campers, second homes, or domestic environments. Simply connect the **integrated antenna cable** to your TV or decoder and enjoy smooth viewing with a stable signal.

Compact and easily transportable

Thanks to its **compact design**, you can stow it in a backpack or trolley and take it anywhere.

Easy power supply

It can be powered via a **wall socket with the included power supply** or directly from the TV via a cable (not included), thanks to the **IEC** connector.

Stable, interference-free signal

The antenna **does not interfere with Wi-Fi** or your smartphone's data connection: you can watch TV and surf the web without problems.

- For analog and digital TV, DVB-T, DVB-T2, DAB/DAB+, and FM radio
- Advanced amplification technology for a stronger signal
- Adjustable gain for optimal reception
- Built-in on/off switch
- LTE filter to eliminate mobile network interference
- Powered via the included power supply or DVB-T receiver
- Includes: power supply and 1.2 m antenna cable
