VIVANCO

Indoor Full HD antenna with ring design, LTE filter, 2 m cable

SKU: VVTVANTSCIRCLE

Optimized TV and radio reception with adjustable amplification and LTE filter

Indoor antenna with adjustable amplification, ideal for receiving digital and analog terrestrial TV signals (DVB-T, DVB-T2) and radio (DAB/DAB+). Equipped with an LTE filter to prevent interference from mobile signals, it allows you to adjust the gain to optimize signal quality. Power is supplied via the included power supply or DVB-T receiver.

Perfect for campers and interiors

The **indoor TV antenna** is the ideal solution for watching your favorite programs even without a satellite dish. It is perfect for use in **campers, second homes**, or domestic environments. Simply connect the **integrated antenna cable** to your TV or decoder and enjoy smooth viewing with a stable signal.

Compact and easily transportable

Thanks to its **compact design**, you can stow it in a backpack or trolley and take it anywhere.

Easy power supply

It can be powered via a **wall outlet with the included power supply** or directly from the TV via a cable (not included), thanks to the **IEC** connector.

Stable signal, without interference

The antenna **does not interfere with Wi-Fi** or your smartphone's data connection: you can watch TV and surf the web without problems.

- Compatible with DVB-T, DVB-T2, DAB/DAB+, and analog TV
- Advanced amplification technology for a stable signal
- Adjustable gain for precise reception optimization
- Built-in on/off switch
- Built-in LTE filter to eliminate mobile interference
- Powered via the included power supply or DVB-T decoder
- Includes: power supply and 2-meter antenna cable
