VIVANCO

Full HD indoor antenna with curved design, USB compatible, with 2 m cable

SKU: VVTVANTSLONG

Optimal TV and radio reception with LTE filter and advanced amplification

Ultra-compact indoor antenna with a curved design, ideal for receiving analog and digital terrestrial TV signals (DVB-T, DVB-T2) and radio (DAB, DAB+). Equipped with advanced amplification technology and a built-in LTE filter, it is also perfect for use with PCs and tablets with TV tuners. It can be powered via a power adapter, USB port, or DVB-T receiver.

Perfect for a camper or apartment

This **indoor TV antenna** allows you to watch your favorite programs **without an external satellite dish**. It does not require installation on a roof or balcony: thanks to its compact size (30 cm), it can be easily positioned **on a piece of furniture with the included stand** or **on a wall** thanks to the rear openings.

Easy to install and with a built-in amplifier

The antenna is powered via the **included USB charger** or a **Micro-USB cable** connected to the TV or a wall charger.
The **audio-video signal is amplified** thanks to the external amplifier, which has **3 modes**: Off, Standard, and Turbo. Turbo mode is ideal in areas with weak signals.

Zero Internet Interference

The antenna does not interfere with **Wi-Fi** or mobile signals, ensuring smooth and uninterrupted viewing.

- For analog and digital TV reception, DVB-T, DVB-T2, DAB/DAB+ radio
- Innovative amplification technology for optimal signal
- Built-in LTE filter to prevent mobile network interference
- Compatible with power supply, USB, or DVB-T decoder
- Also ideal for PCs and tablets with TV tuners
- Curved, ultra-compact design
- Includes: power supply, 2 m coaxial cable, 1 m USB cable, external amplifier
- 25 km range
