DVI-D to HDMI adapter with gold-plated connectors

SKU: VVVDVIHDMIMFG

DVI-D Male to HDMI Female Adapter, Black

This **adapter** allows audio and video transmission from a device with a **male DVI-D port**, such as a set-top box, monitor, DVD player, or PC, to a device with a **female HDMI port**, such as a TV, a second monitor, or a projector.

This way, using an HDMI cable inserted into the dedicated port, you can easily watch photos, videos, and movies on your TV, monitor, or on a screen through a projector.

The **gold-plating** of the connector ensures faster and clearer transmission, as well as offering greater durability.

Features:

- DVI-D male connector
- HDMI female connector
- Gold-plated
